## SourceBeat Promotion

This new digital publishing company features books on Open Source and includes authors from Colorado. Books are published in PDF format and are purchased through one year "subscriptions." Denver JUG members receive an additional 20% off. Promotion Codes: Eclipse Live (jugel), Struts Live: (jugsl), Axis Live: (jugal)  
<http://www.sourcebeat.com>

## Forrester Survey Results

In a survey of 878 U.S. companies with 1,000 or more employees, 56% are implementing .Net and 44% are implementing J2EE. Regardless, 61% are going with Portals. IT managers expect to spend 2.4% more this year than last year.

## Simple EJBs in 3.0

At the ServerSide Java Symposium in Las Vegas last week, Linda DeMichiel, the EJB 3.0 specification lead, presented insights on the new EJB changes. Expect to see simplified EJBs, elimination of the requirement for EJB component interfaces, elimination of the requirement for Home and callback interfaces, and native SQL queries. More details to be presented at JavaOne.
